Speeding up the Process: Once you have filled out the form (22-1990 or 22-1995), right **BEFORE** you submit the form, **print out the form** and present it to our school. My understanding is that if you don't print it out before, it won't let you print it. Also print out the confirmation notice after submitting. After about 2 days, I should be able to verify your benefits so that you can get started as soon as possible. **I have to have a printout of the verification form for this to work.**

Even though this training only lasts 3 ½ weeks, the training will use 59 days of eligibility. You will get a housing stipend for the time you are in school of \$1016.40. You may not get this until after you graduate. You normally get it about the time we get paid, about 3-4 weeks after we bill it. We bill VA after you have passed your drug screen.

Note: Your Post 911 Benefits will cover all of the tuition (if you have 100% eligibility) but they DO NOT COVER the up to \$600 in fees or hotel expense (if needed). Fees include DOT Physical, DOT Drug Screen, Permitting and Licensing fees, Background checks, etc.
